

## OVERCURRENT CIRCUIT BREAKER 3P B 63A

CODE: A02-G7-3P-B63

EAN: 5900280954312

| Electrical data                  |                      |
|----------------------------------|----------------------|
| Nominal voltage                  | Un: 400V~ 50/60Hz    |
| Installation Data                |                      |
| Height                           | 69mm                 |
| Length                           | 81mm                 |
| Width                            | 53mm                 |
| Certificates and markings        |                      |
| Degree of protection             | IP20                 |
| Packaging                        |                      |

| Carton                           | 40                   |
| Other                            |                      |
| Characteristic                   | B                    |
| Energy limitation class          | 1                    |
| Installation                     | DIN/TH/THS rail 35mm |
| Insulation voltage rating        | Ui: 415V             |
| Number of modules                | 3                    |
| Operating temperature            | -5°C /+30°C          |
| Short-circuit switching capacity | Icn: 4500A           |
| Surge voltage                    | Uimp: 4kV            |
| Rated current                    | In: 63A              |
| Brand                            | Schelinger           |
