1 Esmi Impresia Standard Base

Esmi Impresia Standard Base (FFS06741018) is a standard base for addressable detectors Esmi Impresia Heat Detector (FFS06741002), Esmi Impresia Smoke Detector (FFS06741001) and Esmi Impresia Multicriteria Detector (FFS06741003). It also compatible with sounders Esmi Impresia Red Wall Mounted Sounder (FFS06741011), Esmi Impresia Red VAD Mounted Sounder (FFS06741012), Esmi Impresia White Wall Mounted Sounder (FFS06741014) and Esmi Impresia White VAD Wall Mounted Sounder (FFS06741015). The base is with low profile design and reliable contact system. It is possible to lock the detector to the base for extra security.
